## OUR STORY

Welcome to the Aiken Fish House and Oyster Bar. South Carolina natives, Damian and Rachael Blevins, have spent a combined forty years in the restaurant business and are proud to bring a local Fish House to Aiken. Since opening in the Spring of 2019, the response from the community has been truly amazing and we are grateful for all your support. We are confident the Aiken Fish House will continue to serve as a local landmark, not only for the freshest seafood experience around, but as a true meeting spot for friends and families alike. We look forward to serving you for many years to come.

Thank you for supporting a locally owned and operated business.
